

David L. Dutton

Chief Executive Office
Silvaco Inc.

David L. Dutton serves as Chief Executive Officer of Silvaco and is also a member of the company's Board of Directors. He has also served as an advisory board director of solar company Sunprime since 2013 and LED manufacturer Glo since 2014. Dutton serves as managing principal of business management consulting firms SemiEnergy and CEO to CEO and was an active member of the Silicon Valley Leadership Group and the Alliance of Chief Executives.

From 2001 to 2013, Dutton served as President, CEO and board director member of Mattson Technology, where he led the company's turnaround to profitability and quadrupled the company's total available market by expanding into new semiconductor and clean tech capital equipment markets. Prior to joining Mattson, Dutton held management, engineering and product positions at Silicon Valley technology companies, including Intel and Maxim Integrated Products. Dutton holds a B.S. in Geology from San Jose State University.
